KENTHURST CRICKET CLUB

PRESIDENT'S REPORT 1989/90

Kenthurst fielded six junior teams again this season consisting of U/11, two U/13, U/14 and two U/15 sides with good results achieved.

Even though the Committee canvassed schools in the area, we were unable to fill teams for U/10, U/12 or U/16. The U/10 team is a very important grade for junior cricketers to learn the game as they play "Average Cricket" and each player has the same chance with bat and ball. Being without U/12 leaves a gap in the age group that usually continues through that teams age group as it has with this years U/16 age group. The result is that there is no input into the senior teams the following year.

The juniors are the foundation stone of the Club and without continued registrations the senior teams find it difficult to fill numbers in their teams to maintain the Club strength. So, if you have a mate or friend who would like to play cricket for Kenthurst Cricket Club, ring your manager or coach and he can let you know the registration date (early August) at Kenthurst Park.

This is the twelfth year of the Junior Club Champion sponsored by Mr. A. Baxter and my congratulations go to the winner.

I would like to thank the teams for their sportsmanship throughout the season, the managers and coaches for their time and efforts and also the junior coaching panel organised by Mr. K. Napper, which helped out with teams on request by their managers. My thanks also to the scorers and parents for their assistance and continued support.

Although we did not win a premiership this season, we still have next season, so good luck for 1990/91.

DENIS HICKS

Although the Kenthurst Under Elevens didn't win a game all year, this didn't hinder their ability for improving themselves on how to play cricket.

This was the first year most of them had played, Seeing how they had started the season they finished much improved. Our team scored nineteen runs in their first game, they only excelled from that point onwards by scoring totals of 105, 113, 102, 87 and 53, and numerous other totals, never scoring less than their first game.

Not winning a game of cricket all year, this didn't stop the boys from going out and having fun and showing their sportsmanship, abilities, and enthusiasm. On seeing their improvement over six months, I know Kenthurst has a bright future in up and coming cricket players.

I'd like to thank Bruce Frazer and David Lea for looking after the Under Elevens while I was laid up, also Leone Lea who scored the cricket games for me every Saturday. Thank you.

Ben Gambrill.

The team enjoyed a successful season and finished with 63 points, which is hard to believe was not good enough to get into the final. Our first game against North Turrumurra was probably the only game where we were not in a winning position at some stage and Kenthurst was the only team to take points off Mount Colah, who remained undefeated. There was a marked improvement in personal performances by nearly every player in every department. Once again Tim was our foremost batsman despite missing 3 games, Michael had little luck but bowled beautifully to record a fine season, all the other bowlers supported him and shared the wickets. Peter finally recorded a hat-trick and against Mt. Colah. Our 3 close-in fielders Simon, Luke and Peter had an outstanding season and accounted for over 30 dismissals. Simon's keeping was excellent and rated a favourable mention every week. The difference between our performance and the opposition was that Kenthurst scored nearly 1800 runs for the loss of 90 wickets from 13 innings, our average of 20 runs per wicket, our opponents had 17 innings to score 1350 runs for 132 wickets lost to average 10 runs per wicket.

During the season the team gained new players who performed with great distinction and next season should be outstanding if the potential in the team is realised. The team is grateful for the parents who got the boys to training regularly and for always having the players at the games early as these two factors proved crucial to our success. Our supporters are an integral part of the team and our thanks especially to Peter Dooley every Saturday, and Tom Jaaniste who filled in whenever needed.

Despite being short of a full team in each match played, enthusiasm and dedication enabled the team to finish fourth on the table, winning four matches and losing seven (including a forfeit and a loss by one run).

This was the first season of cricket for a number of the boys and each improved his skills and results as the season went on.

Of particular note was the fielding and catching of the team. In one match, all wickets (9) of the opposition fell to catches by our boys, some of which were quite brilliant.

The sportmanship and obvious enjoyment of the game displayed by the boys meant that all games were played in great spirit and were a credit to our Club.

We have not singled out any individual performances in this report as there were many outstanding feats which are not shown up in the statistics although important to the result of a particular game.

It is hoped that all the boys will return next season as we are sure that this team will develop into a formidable side.

Our thanks to Denis Hicks for his attendance at every match to take the scorebook duties and to offer his advice to our players.

The year has been a good one for the boys. Rule changes to play at the start of the season had made dramatic changes to the competitiveness of opposition and especially to our own team. Se ven wins and a draw to their credit was a very good performance where all players were involved, and played vital roles in games throughout the season. There has been a dramatic improvement in players, and the team as a whole. If they all perform to their capabilities they can achieve, and we have seen at s ome time this season; let's hope it turns good for us next season.

Thanks to Jeff Cooke and the rest of the parents for their support during the season.

We had a few new players this year, so it took a while for the team to settle down. Result-wise we finished last in the competition, although by the end of the season we had improved enormously and were very hard to beat.

The boys conduct and sportsmanship under a lot of pressure was outstanding and deserved the highest praise.

The 15's competition was of the highest standard, and hopefully the boys will play next year in the 16's.

I would like to thank the parents who came to support us, especially our scorer Marian Culpan.

It was a great season in which all the lads performed to the best of their ability, and did Kenthurst Cricket Club proud with their sportsmanship on and off the field.

Our team finished third, one point behind Mt. Colah which was an excellent effort, considering that both Mt. Colah and St. Leo's had five to six representative players in each of their teams.

Adam Daniels, Davin Finn, Glen Wright and Scott Burton were our main opening attack with B.J. Graham helping out when possible. Robert Kingston is also developing into another opening bowler. We also had a wonderful spin attack with Matthew Temple, Adam Nolland and Daniel Lea.

All the boys are starting to play straight and are scoring runs, with a special mention to Matthew Whitehead, Ben Johnson and Robert Kingston.

We are also fortunate to have the best wicket keeper in the under fifteen competition with Grayden Lea who has taken some wonderful stumpings and catches.

We would like to welcome Peter Howard to our team, he is a very capable batsman and bowler and I am sure you will be hearing a lot more in the coming season in regards to Peter.

Our fielding was the highlight of our play with some superb catches throughout the season.

A special thank you to Peter Burton once again for the wonderful job he has done throughout the season, and a thank you to all the parents who attended during the year.

Thanks again fellows, and I'm looking forward to seeing you again in the coming season.

David Lea.
