PRESIDENT'S REPORT.

It gives me great pleasure to present this report for the 1987/88 season. We fielded seven teams this season consisting of:-

U/10 U/11 U/12 2 - U/13 U/15 U/16

and had a good season with teams finishing in the top half of their competitions.

The U/13 Gold were the only team in the finals but unfortunately were defeated in a game that produced some very good figures from the Kenthurst Boys. My Congratulations to the team and managers on an excellent season.

I would like to thank the players for the way they conducted themselves throughout the season, their managers for the time and effort they gave at the matches and training, the scorers, parents and spectators for their support and assistance and hope you will all be back again next season.

The U/16 Premiers of the 1986/87 season have kept up their winning ways by taking out the "C Reserve" Premiership this season, and I would like to congratulate the team on such a fine achievement.

This is the tenth season of the Junior Club Champion, sponsored by Mr. A. Baxter and my congratulations to the winner.

I hope you all enjoyed the season as much as I did, and look forward to seeing you with a few friends to swell the junior ranks next season. If you know of anyone who would be interested in Managing, Coaching, or playing for Kenthurst next season they would be most welcome.

D. Hicks

UNDER 10

The under 10 team comprised the following players:-

Peter Antunac	Gavin McDonald
David Bubb	Nathan Mergules
Brendon Ford	Michael Natkle
Sanja Hackett	Ross Nicolson
Jeffrey Howard	Geordie Nolland
Michael James	Jeremy Paton

It was the first season of cricket for most of the boys and they settled down to the task of learning the skills. All boys improved during the season and will no doubt be looking forward to the next season.

A special thanks to Manager, Mr. Ken McDonald who gave up his time to assist the boys.

UNDER 11 -B

Overall, it was a disappointing year for the team. While we won a couple of games and were in winning positions in two which were rained out, we weren't able to put two good innings together in any one game. However, it was pleasing to see the improvement during the season of our new players and to see better technique in both batting and bowling from the boys who have played before.

The team is potentially a lot better than this years result would indicate and we can only hope the boys stick with the game and realise their full potential.

Thank you to parents for your support during the year and especially to those who were always available to help out when needed.

U12/B St. Ives defeated U12/A West Pennant Hills in Final.

It was a year of mixed fortune for the Under Twelves. Ending the competition in a lowly sixth place was no indication to go by, as the team gave their best to make life hard for some of the higher rated teams in gaining points. There was no outstanding player, but individual performances by all the boys throughout the season. This was pleasing to see, as roughly half the boys had never played competitive cricket. I hope they are all pleased with themselves and that also they have enjoyed it. A big 'thank you' to Brian and Jeff and the rest of the parents for their support. It was much appreciated.

Brett Lees.

We had a fairly successful season, both in enjoyment of playing and in results, finishing third in the competition. We welcomed four new players to the team this year Rebecca Merz, Tim Hunt, Russell Nicolson and Greg Kent. Our fielding was good with the players trying hard and taking some good catches. We had one of the best bowling attacks in the competition, but unless we have a good score to defend it becomes very hard. Which brings us to batting; in this regard we were very aggressive. If we could apply some self-discipline to our batting some of the players would have doubled their scores.

We would like to thank Mrs. Marian Culpan for scoring for us again and doing an excellent job. Also, I would like to say how the players appreciate their parents coming to watch them play.

All the boys had an enjoyable season and put a great deal of effort into their cricket to reach the finals for the second year running, with seven first innings, two outright, and only two first inning losses.

The finals were played at Berowra which was a very exciting game. Kenthurst batted first scoring 80. The highest scorers were Matthew Thompson (little M t) with 18, and Daniel Thompson and Michael Roberts with 11 each. - Wahroonga scored 9/174 which was too good for us on the day. Bowling figures were B. Spindler 1-35, D. Lea 3-35, and M. Thompson 5-43.

Two hat tricks were taken during the season, one by B.J. Graham, and the other by Daniel Thompson.

I would like to take this opportunity to thank all the parents who attended during the season. If it was not for their support we would not have accomplished all that we have.

A special thank you goes to our great and thorough manager, Peter Burton, who organised us throughout the season, thanks Pete.

Thanks also to all our new players, keep up the good work fellows and hope to see all you boys again next season.

David Lea.

Under 15 Years Team Report

Kenthurst fielded only one team in this age group compared with two in previous years. The team consisted of members of both the previous groups.

The team had mixed success in finishing in the middle of their competition. As in all previous seasons their bowling was excellent. However the batsmen couldn't capitalise on their bowler's efforts when playing the stronger sides.

Good performances were given by Luke Woodford in his first season as a wicket keeper, Craig Hensen batting in the middle order and Brett Findley spin bowling. Rod Wright and Damien Feneley both had good all rounder results.

Next season will be the boys last as juniors and if they are to make any impression on the competition they must concentrate harder and work seriously at batting practice.

A special thanks is given to Stuart Findley who either scored or umpired nearly every game.

Max Olde (Manager)

In a very enjoyable season the team performed very well with 5 wins, 2 draws, and 4 losses.

I would like to congratulate the team for their behaviour and sportsmanship throughout the season.

Andy Phillips, our Captain, had the misfortune to pick up a virus early in the season and missed half of the matches, his position being taken by Peter Thompson who had a great season in both Junior and Senior grades.

My thanks to our scorer, Mrs. Jill Todd, who looked after the scoring duties, team sheets, and match results, also to the parents for their support throughout the season, especially Mr. John Daniels for the cup of coffee at the breaks.

I would also like to take this opportunity to wish all the boys Good Luck in their cricketing future.
