

# UPPER HILLS

CRICKET CLUB

1993 - 1994  
YEAR BOOK

## PRESIDENT'S REPORT 1993-94

---

The 1993/94 season proved very successful in terms of the number of juniors wishing to play cricket.

The number of registrations increased by 25% over the previous season and, accordingly, teams were entered in the U10 (average), U11, U12 (two teams), U13, U14 and U15 (two teams) competitions.

Whilst our numbers were increased, none of the teams were able to make the finals.

Several of the teams were very competitive and with only a little improvement should figure in finals in the not too distant future.

There were some very good individual performances and five Upper Hills players were selected in representative sides in their respective age groups. Those boys were, Richard Lea, Brad Byrnes, Owen Smith (all U14), Lachlan Pike and Chris Peebles (U12's).

The introduction of Kanga Cricket was highly successful, with around 45 participants every week. The success of the Kanga Cricket was brought about by the efforts of Kanga Coordinator, Kevin Napper, who was ably assisted by David Donnison, Simon Wallace and Sandra Napper.

The coaching sponsorship from Bill Madden Cricket Coaching Academy has proved of great benefit to the boys selected to attend in 1993/94 and the continued support of Bill Madden is greatly appreciated.

In fact, the Upper Hills Cricket Club is fortunate enough to enjoy community and corporate support with every team being sponsored by a local business. This support is greatly appreciated and assists the club in being able to provide top quality equipment for the teams and keeps fees to a minimum.

A long standing sponsorship has been that by Mr A Baxter of the Junior Club Champion. 1993/94 was the sixteenth season of The Junior Club Championship and my congratulations go to the winner.

I would like to extend my congratulations to all the teams on their sportsmanship and extend my appreciation to the coaches, managers and parents who freely gave of their time and efforts to support the teams throughout the season.

Hope to see everyone back next season.

**NEIL JEFFREY**  
**PRESIDENT**

## HIGHLIGHTS - 1993/94

---

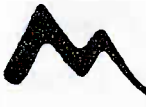

<b>Club Champion:</b>	Chris Peebles
<b>Players Award:</b>	Richard Lea

## "KANGA"

---

The 1993/94 season saw the Club enter the Kanga Cricket development program for boys and girls in the 5 - 8 year age group.

The Club received 54 registrations and average weekly attendance was 45 - which was well above expectations. All Kanga was played on the beautiful Kenthurst ground with excellent wickets prepared by our Club curator, Mr Peter Wright. Our grateful thanks to Peter for his gratuitous contribution.

Kanga Cricket provides opportunities for our youngsters to have fun, to play with their friends, to make new friends, and just as importantly, to explore their capabilities. Skill development exercises such as catching, throwing, bowling and batting etc. are mixed with the Kanga play. We feel that all of the foregoing opportunities were taken up by our players and the result was an enormous development of the skills over the season and a host of new friends made. We are quite pleased with the results of the season and what we have learned from it will assist in planning of the next season. The behaviour of our group was excellent and this made the coaching so much easier.

Fourteen of our players participated in the "Western Star" Kanga Cricket demonstrations at the Sydney Cricket Ground during the intervals in the Test and Shield matches. This was a great experience for all involved.

Our Kanga would not have been possible without the sacrifices of David Donnison and Simon Wallace who, with myself and my wife, attended the Kanga coaching course and each week coached a group. We are extremely grateful to David and Simon for their enthusiastic contribution and grateful parents who assisted us so willingly each week.

We wish the players well who are moving through to our Under 10's next season and look forward to seeing again our newly made "Kanga friends" who are returning next season.

**KEVIN NAPPER**  
**KANGA CO-ORDINATOR**

## UNDER 10's

---

It was a learning season for most of the boys as the majority of them were new to the game of cricket with only a few backing up from the previous season in U/10's.

Where to put the box, how to hold the bat or bowl the ball took priority in the first few training sessions, but thereafter the boys began to play good cricket.

All the games throughout the year were closely contested and we ended up winning approximately 60%.

It was good to see the parents stay and watch their child play and support the team. The assistance provided by parents with scoring and organisation of the team was also greatly appreciated. A number of the players showed plenty of potential and will be of great asset to their team and club in future seasons.

I'm sure all the boys enjoyed themselves and will be just as keen next season.

**ROB HORTON**  
**GRAYDEN LEA**

### PLAYERS

Joshua Bohatko	Brian Garven	Terry Preston
Richard Braun	Daniel McNamee	Bryan Priest
Blake Bridgwood	Tom McNamee	Michael Turner
Peter Bunston	Carl Mistler	Lyle Von Bibra
Steve Burrage	Warwick Mooney	Phillip Yates
Michael Finlay	Andrew Peel	

## UNDER 11

---

**Coach: Jim Cooper**

**Manager: Sam Mamone**

The girl and boys in this team made this an enjoyable season. Their enthusiasm and determination to do well was great to see even though they are an aggressive group of kids with a lot of talent. We are a young team with four of our players eligible for Under 11 next year.

I would like to thank Sam Mamone for helping in the running of the team. Also the parents who came to watch, considering some of them had sons playing in other teams. It was great help when Brenda and Ruth Wright came along and did the scoring.

As far as results go we had a good season finishing third in our Division.

### JIM COOPER

## UNDER 12 (RED)

**COACH/MANAGER: Dennis Hicks**

The 1993/94 season was a very enjoyable one with some very fine performances, notably the first hat trick for the team by Anuj Seth. In Round three after an excellent spell of bowling he finished with figures of 4/8.

The boys are keen and train well. As their confidence grows their performances improve. By taking time to build up an innings they get satisfaction and enjoyment as well as entertain their supporters.

The fielding has improved, with some good arms emerging in distance and direction and some very good catches being taken throughout the season.

I would like to thank the team for its behaviour both on and off the field and taking umpiring decisions without hesitation. I would also thank the parents for having the players at matches on time and for their support throughout the season.

A special thanks must be given to Mrs M. Beck for the excellent job she did in the scoring department. This made my job so much easier and I look forward to her support next season. Hoping to see you all again next season.

**D. HICKS  
MANAGER**

## UNDER 12 (GREEN)

---

**COACH: Brian Jones**

**MANAGER: Jeff Cooke**

Although season 1993/94 presented few wins to the U/12 Green side, the performance of the team on the whole was by no means disappointing.

Many boys had not played cricket until this season and the effort and determination shown by all of them was quite obvious. Every player on the team has shown ability during the season and all are encouraged to continue the game next season with a realistic chance of gaining success in the competition.

On its day the team was devastating, as seen in Round 4 of the competition when we bowled out West Pennant Hills for a mere 41 runs.

A special thanks to Brian Jones for his coaching along with Bob Wallace, John Carroll and Greg Cooke for their assistance with scoring and umpiring.

Also a thank you to the band of parents who supported the side at the ground each Saturday.

# UNDER 13's

**COACH: Gorden Mills**

**MANAGER: Darren Waugh**

We started the season really positively with a good win over Glenorie and signs of a great year ahead.

However, after our first game our batting never reached it's full potential and we struggled to chase and set scores. There were some highlights, with Chris Peebles scoring 376 runs, Average 41.8, including scores of 68 and 90. Lachlan Pike was the most improved of the batsmen showing some true grit in scoring 252 runs, Average 25.2 with a highest score of 66\*. A lot of others show promise but throw away their wickets cheaply.

The bowling and fielding was as good as any of the topsides. Leading the way in the field was Steven Jurd and John Porter who were willing to take bumps, dislocated knees, blows to the head, spectacular one hand catches and just plain get dirty to put on a show for everyone.

The best of the bowlers was David Bohatko showing he has the potential when he applied his mind to it, taking 19 wickets, Average 10.73. The biggest surprise was Chris Peebles taking 15 wickets, Average 10.87. The rest of the bowlers shared the wickets with John Porter and Jamie Foti taking 10 each.

Once again our problem this year was trying to keep players for the season losing five before Christmas, leaving us struggling to fill the team in the latter part of the season.

We would like to thank all the new kids in Nathan Andrews, Ian Shaw and Braden Von Bibra and special thanks to Luke Bradley and Andrew Fraser for their help this year and hope to see them back next season.

Overall the team had a disappointing season but show the promise to make it beyond the Semi's by winning 3 from the last 4 games.

## UNDER 14'S

---

**COACH:** David Lea

**MANAGER:** Russ Davis

What a difference a year makes! Premiers last year. This year the team won 5 lost 5.

The fielding was excellent. The bowling tight and accurate. The batting apart from consistency in the upper order lacked sufficient depth to win the matches which counted. More attention is needed in running between wickets. 20 % of the wickets lost during the year were lost due to run outs.

The team are to be congratulated for their attendance at practice, their dedication and their team spirit.

We are very fortunate in having a coach of the calibre and dedication of Dave Lea.

Many thanks to the parents who regularly attended the matches and support boys.

# UNDER 15's GREEN

**COACH/MANAGER: Ian Holston**

After picking up the coaching reins following the team's first two games, there was need to work hard to improve the boy's performances.

With only a few lads having had previous cricket experience, it was important that the skills of these boys were used to inspire and lift the performances of the less experienced players.

It was therefore disappointing that we were unable to have a full complement of players at training for the whole season, however, those who did regularly attend were able to reap the benefits of some hard work which resulted in the team tasting success in the latter part of the season.

If the boys consider playing winter competition and also look at playing some senior cricket, I am sure their skills will develop to make them more competitive in Under 17's next season.

During the season there were some good batting performances by Anthony Foti, Gavin McDonald, Amar Maini, Shannon Evans, Bjorn Holston and Ken Garvan. Whilst in the bowling, Bjorn Holston, Shannon Evans, Anthony Foti and Gavin McDonald were the most successful.

The boys are to be complimented on the way they played their cricket, and it is relevant to note that both the Club's Under 15's teams were way ahead in their field behaviour in comparison to all the other teams against whom we played.

The team finished sixth in the competition on 23 points. Competition was won by St. Ives who we drew with in Round 4.

**IAN HOLSTON**

## UNDER 15's (GOLD)

**COACH: Craig Henson**

**MANAGER: Nathan Fathers**

The season of 1993/94 for the boys was a learning experience. Finishing on the bottom of a competition table is no reflection on how capable some of these boys are

We got off to a good start by scoring some high scores and keeping the opposition down with good bowling and fielding. As the season went on they let the opposition get on top of them. They must remember it takes sensible batting and accurate bowling to be competitive. You're not going to win by big hitting.

A few of the boys had a go at captaining the side so they could take control of all responsibilities. If these boys are going to be playing seniors in the near future they will have to settle down in their approach to the game of cricket.

Dane Burrage showed noticeable improvement behind the stumps. Adam Bohatko will be a name to watch out for as he is a real threat to all batsmen with his ability to knock out stumps. A good batsman too. Tim Briscoe and Cameron Chan usually got us off to a good start with the bat.

We all got a surprise with Phillip Lance taking 2 wickets against the Under 17's with his leg spin, but he does show promise and should persevere.

I'd like to thank Dave Lea in helping out at the start of the season.

Without the help and experience of Nathan Fathers the Season wouldn't have gone as smoothly and as organised as it did.

Overall, it was an enjoyable season and I would encourage all the boys to continue on with their cricket.

**CRAIG HENSON**

### BATTING

Name	Innings	Not Out	Runs	Average	Catches
Dane Burrage	10	-	153	15.3	5
Adam Bohatko	10	1	150	16.7	4
