KENTHURST CRICKET CLUB

President's Report 1990/91

The Kenthurst Juniors fielded 5 teams this year being u/10, u/11, u/14, u/15, u/16's. Although there were no Minor Premiers, the statistics were very encouraging as all teams had moderate success.

The u/10's (non competition) had a learning season with some natural abilities being brought out by the coaches which will be good grounding for their future cricket.

The u/11 had excellent results and performed very well throughout the season. Next year they will play full rules and will certainly be a team to watch.

This is the thirteenth year of the Junior Club Championship sponsored by Mr A. Baxter and I congratulate the winner.

I would like to take this opportunity to thank the players for their sportsmanship throughout the year. Thanks also to the managers and coaches, scorers and parents for all their time, effort and support in the 1990/91 season. I wish all teams the best of luck in the future.

Denis Hicks.
President.

Under 10

The 1990-91 cricket season was fairly successful for the under 10 boys. Members of this team were all but three playing cricket for the first time. After loosing their first two games the boys started to put it together and won most of their games after that. As with seniors, lack of concentration at critical times with their batting and fielding cost them several games. The most important result from a coaching point, was the enormous improvement of the boys from the beginning of the season till the last game.

Special mention should be made of two members of the team who managed to win places in the district side, from some very solid opposition. Mathew Blair and Luke Brasley performed very creditably for the side from the reports received. Congratulations boys. As this grade of cricket is non-competitive, no bowling or batting records are kept on individual performances but a little mention of the boys team is felt important.

Coach Dallas Latimore
Manager David Shaw

Mathew Blair-	Good opening bowler and top order batsman.
Luke Bradley-	Good all rounder showing potential as a Wicket Keeper.
Joshua Cooke-	Hard hitting bat and handy medium pace bowler.
Paul Davey-	One of the seasons improvers with bat and ball.
Jeremy English-	Batted well throughout the season.
Jami Foti-	Shows promise as opening bat and spin bowler.
Shane Farquar-	Steady player who unfortunately had to pull out before seasons end.
Mathew Hull-	Big improver with bat and ball.
Gregory Lance-	Hard hitting bat and wicket keeper.
Ben Mooney-	Top fieldsman and improving with bat and ball.
Chris Peebles-	Good left handed bat and bowled with success.
John Porter-	Good opening bowler and top order bat.
Andrew Robinson-	Developing his spin bowling well.
Ian Shaw-	Improving all the time with bat and ball.
Grant Ward-	Missed start of the season with a broken wrist but certainly made up for lost time.

It gives me great pleasure to write this report on the u/11's for the 1990/91 season. Although we may not have won the competition, I feel we won the prize in the best behaved team in the comp, with two of our opposing sides commenting on our good sportsmanship and behaviour. This is a plus for the boys themselves as well as their parents.

Our final analysis was (5) wins and (4) losses, out of this was the very satisfying result that every boy captured at least one wicket and one catch.

I would like to thank Russ Davis for his help with the boys, Leonie Lea, Ray Fabris and Rick Jenkins for taking on the scoring duties and all the parents for their support during the season.

Phil Taunton
Coach.

DANE (BAZZA) BURRAGE.

Very keen boy, when, with more confidence and belief in his own ability will get better and better. Needs to remember, you can't score a four off every ball.

CHRIS (CHICKA) DAVIS.

A very very keen boy with lots of courage. Improved in his bowling dramatically, although his batting was a let down this year, but I know that one day that this little fella with a heart so big will put it all together.

ANDREW (EDO) EDMONDS.

A nice quiet boy who has more ability than he thinks he has, with plenty of encouragement this boy can do heaps, as proved with a (5) wicket haul in one game, the only boy to get (5) wickets in one innings. Has a good temperament as well- good year.

HUGH (HOW ZAT) FABRIS.

A nice little fellow with loads of ability and enthusiasm, has the ability to be one of the best players in the team if not the best- but must learn if you practise bad you play bad, just the same still a good season.

JONATHAN (HAMBO) HAMBER.

Another quiet boy who improved with each game, his bowling especially. Had a problem with catching but in the last game took a great catch, the first of many to come, just needs to concentrate a bit more.

DAVID (DAVO) JENKINS.

This boy has heaps of ability, especially in bowling as long as he learns that line and length first then pace will come later, also very good in the field and scored some handy runs with the bat, a great bloke as well.

NICHOLAS (NICKO) KEARNS.

A great little fellow who was lacking in a lot of confidence with himself. I feel the last game showed this great little bloke what ability he has got, with a good (5) not out and (3) wickets as well as being on a hat trick. Keep on hanging in there Nicholas.

RICHARD (FOXY) LEA.

Super keen player and a great little bloke to boot, took some great wickets with spin bowling and I feel this is his go, but only time will tell. Scored some great runs but as he knows himself, needs more respect for the bad-ball re: lifting the head. Has a great future in cricket.

LUCAS (ARNIE) MADAR.

Another nice boy, could be a really good cricketer if and when he wants to be. The ability is there all that is needed is the application and determination to score runs and get more wickets.

OLIVER (DANNY) MADAR.

Took some nice catches and fielded well at all times. Could be a super player if he wants to be but Oliver you must concentrate more and give more commitment to the game, but all in all for your first season a good one, just a little bit more effort needed, behaviour was faultless.

MICHAEL (CHIM) PRATTEN.

If only you could give that little bit more Chim you could do anything as you have proven in some of the games you have heaps of ability Chim, use it, don't abuse it. A good season just the same.

LEON (CHUM) TAUNTON.

Chum had a good season this year and that's good but if you don't improve your foot work in your batting it will catch up with you- for a good eye will only take you so far in cricket- work on it. Took some great catches in the out field and behind the stumps. Well done this year.

The past season was a story of lost opportunities and disappointing for all. Matthew Dooley captained the team with distinction under difficult conditions with substitute fielders to be organised as well as control the game. Our bowlers did very well and were reasonably supported in the field. Carefree and careless batting spoilt our record, with an unusual number of batsmen being run-out or caught in the outfield. At least this indicates a keenness to get on with run getting. With finer judgement and greater responsibility can only improve next season results. Our Batting statistics tell the story with nearly every one scoring only half the runs of the previous season. Three close games early in the season were lost, and our players started to hang their heads, instead of becoming resolute and showing some courage.

Our growing band of supporters were much appreciated, for their assistance whenever needed, and for just being there to support the team. Every opposing team knows they are going to have a hard grind against Kenthurst, yet every team commented on the composure and sportsman like manner with which the Kenthurst players conducted themselves. Just a small step is required to change team loosing to winning most games. An early start to next years training could make a big difference to performance.

R. Lisle and P. Dooley.

1990/91 saw the joining of the previous years u/14 and some u/15 who were eligible to play again this year. A season which had great potential turned out to be disappointing with only three first innings wins from eleven matches. The teams batting was quite good and matched any opposition in the competition however bowling and fielding needs to be strengthened so we can have more chances to win more games. A special thankyou to Jeff Cooke for his help in managing, helping umpire, score and look after the boys and also to Peter Burton for helping to score when he should have been at work. Thanks also to all the parents who attended the games throughout the year and hope to see you all again next season.

This was the final season for most of the boys in their junior cricket and hopefully starting into the senior competition next season. The boys over all had an enjoyable season but disappointing in some ways because we could have done a lot better.

The catching was at a high standard, with our bowling and batting which wavered on occasions.

I would like to thank Jim Cooper for his support during the season with scoring and umpiring.
