YEAR BOOK

UPPER HILLS
CRICKET CLUB

UPPER HILLS CRICKET CLUB

PRESIDENT'S REPORT 1992/3

We fielded six teams in the competition this season being : U/10, U/11, U/12, U/13, U/14, and U/16.

The Under 13's were the most successful team this season, losing only two games and winning the Premiership. Well done lads !! My congratulations to the players ,coaches,scorers and supporters. This is the first Premiership for the Upper Hills Club and the first in Kenthurst since the Under 11's in 1986/87. The last Under 13 premiership was in the 1981/82 season.

The Under 10's (non competition) had a learning season with players showing what they can do and coaches watching for that natural ability and to develop it for their cricketing futures. All other teams performed well with moderate success.

This is the fifteenth season of the Junior Club Championship sponsored by Mr A. Baxter and my congratulations go to the winner.

I would like to thank the teams for their behaviour and sportsmanship, the sponsors and parents for their support, and the managers , coaches, scorers and umpires for their time and effort throughout the season.

I hope to see you all back next season.

DENIS HICKS

PRESIDENT.

UNDER 10's

This was a great performance from these young players in their first season. Cricket is not an easy game to learn, so after a slow start they began to learn and understand the laws of the game and enjoy themselves. Their catching, running between the wickets, batting and fielding improved as the season wore on.

It was pleasing to see so many parents turn up to watch the boys play and give their strong support for the team.

I would like to thank Brenda and Ruth for scoring and Peter for looking after the team when I was absent.

JIM COOPER

UNDER 11's

Well, we have certainly come a long way since our first innings of 46 in the first game of the season to finish with 5/129 in the last game. After round five of the ten rounds we played, we had only five points but , improving with every match, a win in round 6 and still improving to finish with 30 points after round ten. This was a very good effort and it certainly was a very enjoyable season.

I would like to thank Mr C. Turner for scoring and Mr P. Hicks for his umpiring and coaching. A big thank you to the parents for your support throughout the season.

I look forward to more of the same next season.

DENIS HICKS

UNDER 12's

The 1992/93 season almost started without an Upper Hills Under 12's side. Numbers were so limited initially that it was decided to move the Under 12's into the Under 13's side. Thanks to the hard work of a number of club members and the co-operation of some of the Under 11 players, a side was eventually put together. With the first round only two days away, the team was found and the coaches delegated- (not without some encouragement!)

While many of the players in this team had never played cricket previously and others borrowed from the Under 11's (and stayed with us for the entire season), they all put in an outstanding effort against what were generally much more experienced sides. Most of our matches were played with less than a full side and on a couple of occasions as few as 7 or 8. This makes it very difficult to be competitive and at times it clearly made a difference to the result.

With three rounds to go, and not a win on the board, it would have seemed easier for the boys to give up. Instead though, they found new enthusiasm, and with the help of a few extra players we got up to post our first win of the season. With this new found confidence, they won the next two rounds- making it three in a row. This was a great end to the season and a big confidence booster for the 1993/94 season.

We hope to see all of the boys back again next season.

GORDON MILLS & DARREN WAUGH

Club note:

The Club wishes to thank Gordon and Darren for their superb efforts at short notice.

Upper Hills defeated West Pennant Hills in the final

The boys enjoyed their best ever season culminating in a Premiership win !

Their success was not necessarily due to any one brilliant individual but was a real team effort with every team member contributing at one time or another with the bat, ball or in the field.

The boys worked very hard in their training and the improvements shown throughout the year by all boys was evident. There were some fine individual performances throughout the year which should be highlighted - such as Richard Lea's reliable batting efforts, including a 99 not out- Nathan Clarke's consistent run scoring to achieve an average of in excess of 50- and the bowling efforts of Owen Smith who won the Association's Award for the most wickets (31)- and Leon Taunton who was right on his heels with 30 wickets.

Another boy whose efforts should be recognised is Brad Byrnes, who on many occasions held the batting together in the middle order with application far above his years and who also improved his bowling to become an integral member of the bowling attack.

The overall fielding of the team improved throughout the year and in the Final the fielding of all boys was outstanding.

The dedication and effort shown by all the boys was justly rewarded by winning the Premiership and with the continued strong support of all the parents they will go from strength to strength.

Mount Colah	29
Upper Hills	11

Hornsby R.S.L. defeated Ku Ring Gai in the final.

It was great to see all the lads that played in the previous season turn up again with a couple more as well. The new lads fitted into the side very well.

We could only manage a tie in one game, losing all other games on the first innings. Whilst we have a bowling attack to match any team in the competition our batting consistently let us down. Our fielding was generally first class. In order to win more matches we will have to concentrate more at the wicket and be prepared to build an innings.

Again our sportsmanship was excellent and the manner in which all games were played was superb.

My thanks go to the parents (and grandparents) for their support and assistance with scoring and umpiring duties without which the game could not go on.

Mount Colah	56
Berowra	50
West Pennant Hills	32
Normanhurst	31
Upper Hills	25
Wahroonga	20

The season for the Under 16 side was mixed with highs and lows throughout the summer. Injuries and player unavailability cost us dearly. However, it did not affect the result of most matches, but perhaps those results could have been closer. Although we won only three matches, each were special because we were the underdogs. The first win was against West Pennant Hills who had not beaten us for four seasons. It was great to maintain the unbeaten record. Steve Barnett destroyed their middle order while Luke Jensen batted with common sense for 68. We also defeated Normanhurst at home. That side contained six players with dispensations from last years Under 16 side who were now playing A2 or B Grade seniors. Our third win came against West Pennant Hills in a game where tensions ran high. We managed to score 158 which West Pennant Hills thought was very getable. With some tight bowling and good fielding, we won by about 30 runs. I have never seen a happier team than after that win!

The best performer throughout the season was captain Peter Lisle who led by example and scored most runs and topped the batting average. His strokeplay was quite classy. Luke Jensen was our best allrounder with strong performances with bat and ball as well as some brilliant fielding. The benefit of his professional coaching at Bill Maddens Academy showed through.

The bowling department was led by Murray Davis and he was well supported by Steve Barnett and Michael Jaaniste who bowled without any luck.

I would like to thank our manager Robin Lisle who was always there for advice and support. A big thank you to Mr. Barlow, our Scorer, for the fine job he did throughout the season.

I hope all of the lads will now move into the senior Club.

CHARLIE MANNA.
