

A Message to our Sponsors

Firstly a big thankyou to all our sponsors for supporting Kenthurst Upper Hills Cricket Club for the 2017/2018 season and beyond.

This season we found ourselves heading in a new direction with restructuring our sponsorship packages and making them more attractive to businesses and the surrounding community, we did this by advertising our sponsors and promoting their products through our website and social media links and match day awards.

It has been successful to say the least, previously the club through no fault of its own had 5 sponsors mostly from the Junior club to this year having 35 sponsors, some remaining but mostly all new, this was done through the hard work of the sponsorship team.

A major goal we wanted to achieve this season was to unite the Junior and Senior Clubs under the same banner and club colours. We did this by our new apparel range and mostly our training shirt and playing strip which promoted every sponsor. We supplied it to all juniors for free! All our on/off field apparel was designed and ordered through Hills Uniforms Australia .

We also this year welcomed a new major sponsor on board the Hillside Hotel which has given us a home away from home. This relationship has worked seamlessly throughout the season with special mention to Brodie Parish the GM and his team who is always happy to have a chat and ask how we are going and they try to accommodate us with most things we want to do. We hope this is a start of a long term relationship where both parties can prosper.

A big help this year was having a Meat and Bread supplier which made the BBQ's this year a very easy exercise to do but couldn't have been done without CHOP Artisan Butchery and Bakers Delight Stanhope/ Dural / Kellyville.

There are so many more sponsors to thank for their contributions this year, but all we can ask is for our members is to use these businesses. Not only does it benefit the club but I'm sure there will be rewards in it for yourselves, all you have to say is you are from "Kenthurst Upper Hills Cricket Club"!

Dane Ramsay | Sponsorship Coordinator

2017-2018 Office Bearers

Parks Committee Officer	Brendon Lowndes

President Report 2017-2018

There was once a famous quote that said: 'If you can't be a good cricketer, at least look like one'. For untalented plodders like myself, in the 25 years that I've played cricket there hasn't been a better season to successfully apply this advice. Through the efforts of our sponsorship co-ordinator Dane Ramsay, our club has never looked better! I feel tremendous pride wearing our playing cap, off-field formal cap, wide brim hat, short sleeve playing shirt, long sleeve playing shirt, training shirt, club polo shirt, banksia tour shirt, playing vest, hoodie, playing pants, training shorts or when carrying my Kenthurst branded carry bag or backpack (all of which is available for purchase). This I believe is the start of the club being taken out of stagnation to transition to a club that is the envy of all others.

This year, the club fielded 5 senior teams, 5 junior teams and a Classics team. Continuing on from last year, I have been more involved in the juniors side of the club where for the first time, I coached a junior side and ran the MILO program. The importance of the club in assisting with the development of boys in becoming men cannot be overstated; I sincerely thank the Mums and Dads who provide this community service and in turn create their own community through the bringing together of the teams. Whilst the player numbers were down in most teams, this didn't seem to affect the enthusiasm of the kids and from all accounts, they all played the game in the right spirit. I again thank the parents, coaches and managers for their part in being the guiding hand in their development. Coaching the U15's and running the MILO program has been such a rewarding experience I plan on continuing with this for many years to come. It's also great to see a number of our juniors playing for our senior teams as well, this is also something that I'll be continuing to work on. Apart from the U15's, I had minimal involvement with the other teams because there was so much terrific support from a number of parents willing to put their hand up to help. An important move happened this year where the constitution was updated so that both seniors and juniors are playing under the same club colours. We are no longer a juniors club and a seniors club, we are instead ONE CLUB. I'm hoping to see many of the junior boys playing seniors cricket for Kenthurst in years to come. If juniors play for Kenthurst seniors, they could save some money on having to buy a new shirt since they'll already have one!

For the seniors competition, 3 out of the 5 sides made the semi-finals and the A2's side made it to the Grand Final and drew against Berowra. Since Berowra finished higher on the table, they were given the minor premiership. Whilst the argument could be made that I'm out of my depth playing in A2's, I thoroughly enjoyed the experience. The culture of the team is incredible, the men in the team all play for the right reasons and there isn't any player who thinks they are bigger than the team. It appears as if this culture exists right throughout the club as I was able to attend a number of matches in other grades and I was able to get out and support the Classics team as well. It's worth repeating that there isn't a better place in the world to watch cricket than up on the balcony at Kenthurst Park with a cold beer in hand. Our B grade side improved from their strong position last year to make the semi finals. A standout for their side was Rohan Drummond who scored close to a million runs for the year. Our C3's side showed massive improvement from last year with pretty much the same team. To win some of the games that they did without having 11 players (from memory there was a game they won with 8 players!) is a sign of the ability and the mental toughness that they have. It would have been too easy to use this as an excuse to give up and abandon the team. I appreciate that they didn't do this and were eventually rewarded with a semi finals spot. Thanks again to Steve Bragg for running our C2's side, I was able to help out with fielding for them in one game and there is definitely some talent in the team. Hopefully we'll see more of them around the club in future years. Our D2's side is showing continual improvement with a few new players as well. It's always good for a team to have a newcomer (Harold Vadala) come to the club and help out by scoring close to 500 runs for the year.

Our Classics team continued for a second year and because of the efforts of Mick Dolly, it was clear to see the men in the team really enjoyed their season. A first past the post format in a 16 team competition makes it very hard to have any success especially when there's such a diverse range of skill between the teams. For one opponent that I saw it wouldn't be a stretch to say that their two opening bowlers were of A grade standard. Whether they smashed their opponents or the opponents smashed them, the players still had a good time and the social aspect of the competition seems to be almost as important as the on-field action where post-match drinks can sometimes take as long as the match itself!

The club was very successful off the field as well. Dane Ramsay and Charles Ivey worked tirelessly in getting a massive amount of sponsors on board to support the club. Have a look at the back of our training shirts and I'm sure you can imagine how much work would have been required to achieve this many sponsors. So a huge thanks to both Dane and Charles for their work and for the sponsors themselves for supporting of the club. It would be incredibly difficult for a club to survive without them. Our selectors again worked tirelessly in assisting the captains to get the numbers required for their teams. Thanks to Col Griffin, Andre Bertolo, Doug Gemmell and the unofficial selectors Craig Henson and John Campo. Thanks also to John Campo for being our proxy to the association, his work as secretary, organising the banksias tour and running the D2 side. Thanks again to Craig Henson for captaining the B grade side and working again as the registrar for this year. Whilst it may not have been noticed, Scott Calvert still did a lot of work this year in setting up the junior competition and was always on call whenever I had any questions on how to organise anything juniors related so thanks again for your help Scott. Whilst it's great to have so much help, it's unfortunate that it's the same names that I'm thanking this year as I did last year. If there are any new members who are willing to help, it would be great to see some new faces at our committee meetings.

The club had another successful Banksia tour this year although it probably wasn't the best idea for me to wear an England cricket shirt sitting right in the middle of a bunch of blokes wearing green and gold shirts. Apart from that, it was awesome trip thanks to the organisation provided by John Campo.

At the risk of being self-indulgent, I've loved all the 25 years that I've been with the club and there are still people within the club that I've known since I first joined. It's something that has been with me my whole life and I see the club as a second family. I've gained a lot of self-confidence through gaining so many life lessons from playing and on the back-end administration side. Being the president of a club that has built a small community spanning 120 years who do everything they can to facilitate getting as many people as possible interested in cricket and providing a service to the wider community fills me with enormous pride. I'm not aware of any other club that is so welcoming to anyone who wants to come and have a go. Dave Lea has the record of playing 50 consecutive years and still going. Dave, I'm coming for your record!

In2Cricket Report 2017/2018 Season

By Dane Ramsay

The In2Cricket season brought a whole lot of new challenges to the club this year with the departure of Scott Calvert.

Never the less Brendon and I felt we need to grow the club from the ground up, which was going to be hard with only 6 kids registered by the time the program started off.

But from 6 we grew to having around 12 - 15 kids aged from 4 - 7 enjoying the basic skills and fundamentals that make up this great game.

Coach Brendon (as the kids like to call him) was great with all the drills he had prepared for the kids to take part in. Especially a throwing game, where we split the group in to 2 teams and had to build a castle with what we found in the kits bats, stumps and cones and also cricket balls where used to build castles, we then took turns in trying to knock each other's team castle down.

Speaking with the parents at the conclusion of the 10-week program they couldn't believe that they and the kids had to wait until next October for the season to started again, which gave Brendon and I an idea to run a 5-week program that started early February. Unfortunately, the numbers where down on the initial program but it's what we expected and the kids that attended really took some great lessons out of what Coach Brendon and I could pass on to them.

A special mention to all the parents and family that helped out with running drills, so I could start the BBQ so the sausage sandwiches and poppers where ready for when the kids had finished (Sometimes they seemed more interested in the sausages then the cricket).

We really hoped you enjoyed the season and also being a part of what we are trying to grow here at this club.

Thank you

Coach Dane.

Under 13

Kenthurst Upper Hills Cricket Club

2017/2018

Back row: Ben Moroney, Jack Swan, Jacob Summerhays, Alex Georgescu, Daniel Anderson (Coach). Absent: Byron Shaw, Mitchell Shaw, Jake Levy.
Front row: Alexia Powney (Manager), Alex Compton, Oliver Mansfield, Kahla Clague, Emerson Powney, Spencer Anderson.

Under 13's report

A sincere thanks to the players and parents of the Under 13's cricket team. It was a pretty tough slog throughout the year given we rarely had 11 players at any time. In saying this, everyone had plenty of bats and plenty of overs. The team was a mix of small and big with loads of laughs and dance moves. Many thanks to Jeff, Andrew and Lexi for their support.

Byron Shaw (captain) - Byron was feared by opposition teams. He batted powerfully, bowled quick and straight and fielded close to the bat. He loved a wicket celebration, captained beautifully and will tell the story for years how he dragged the team from the jaws of defeat with 75 n.o. in a 15 run last wicket stand win v Castle Hill.

Jack Swan - Jack was the big man of the team, often seen carrying more than one team mate on his shoulders in pre game warm up. Bowled very fast and very erratically, batted at #3 and hit big scores and took the best slips catch seen at Glenhaven Oval in a long time. Took over the captaincy late in the year and showed a lot of promise in the role.

Oliver Mansfield - Ollie started the season an Off Spinner and when confident was collecting wickets regularly. Batting was mixed with dogged performances mixed with the dreaded duck but easily had the best dance moves which he brought out when the team needed a smile and energy.

Spencer Anderson - lumped with the 'coaches son' moniker but had a very good year. Leg spinner who brought our team to life as there was always action. Took plenty of wickets, batted well at the start of the season but faded and fielded brilliantly in the gully taking catches at every opportunity. Loved a wrestle with the Shaw boys.

Mitchell Shaw - Opening bowler who took wickets in clumps. Lovely fieldsman with catching and run outs to his name. Batting improved but the whole crowd knew that if Mitch blocked 3 balls, there was never going to be a 4th block. Disputed 4 called in game where we all know it was a 6. Great sense of humour to boot.

Emerson Powney - 'Emmo' was the team opening bowler and got plenty of wickets very economically. Had a 'nose' for the game and when in rhythm, his outswinger was unplayable. Batting improved after Christmas and enjoyed the banter with his team mates on the field, off the field and at training.

Jake Levy - Didn't play as many games as his team mates but what an impact. Fast bowler that was very difficult to play and a 'swashbuckling' batsman. Took wickets, rarely ran 1's or 2's. Looking forward to seeing him in the Big bash in future years and loved playing for Upper Kenthurst.

Jacob Summerhays - Coach asks, "who wants to open the batting?". All hands down except for Jacob who loved facing the first ball. Really improved as a batsman lasting 29 overs in the 40 degree heat v West Penno. Bowling was mixed but took 4 for in a game. Always quick with a comment, he was in Year 7 so knew a little bit more than his Year 6 team mates.

Alex Compton - new recruit to Upper Kenthurst and a great addition to the team. Best fielder saving heaps of runs at fine leg and took a couple of cracker catches. Resilient batter who took a 'bruise' for the team and underrated bowler who took wickets as he learnt his craft.

Kayla Clague - Kayla was another first timer to cricket and Upper Kenthurst. Quick in the field and saving runs from point, she took a couple of scalps with her fielding. Kayla didn't like bowling and it was evident but her batting will be remembered for the last wicket stand with Byron v Castle Hill where the teams were even at drinks with Kayla facing the over after drinks. Five balls with inside edges, misses and blocks followed by a drive to mid on for the winning runs.

Ben Moroney - Ben loves cricket and loved playing cricket. Would stay on the field for the afternoon if everyone else would play. Batted with class on a number of occasions and was brilliant at Wicket Keeper. Bowled very quick, slinging the ball to gully, fine leg but when pitched up on stumps removed a few batsman. 'Benno' was also a new addition to Upper Kenthurst and his team mates loved playing with him.

Thanks to Alex, Ian, Raf, Will and Noah for filling in when we lost a few in the new year.

Under 14

Kenthurst Upper Hills Cricket Club

2017/2018

Back row: Shane Rose (Manager), Jamieson Hedges, Harrison Mair, Jack Nati, Xander Atkinson, Zac Oliver.
Front row: Josh Williams, Owen Huber, Marcus Burford, Max Rose, Aden Clark, Andrew Clark (Coach). Absent: Mitchell Gall.

Kenthurst Upper Hills U14 Cricket

Another great year for the U14 Kenthurst side. Not only are they great mates but they also are good young men and consistently show respect within the team and to their opponents. The frustration continues to be a lack of players with them often fielding an 8-man side. This inability to field a full team does not dampen their love of the game and look forward to their development into the various forms of the cricket ahead of them.

X Atkinson – Xander's strength isn't extreme pace, but he has everything else going for him: the ability to move the ball at a sharp speed, and relentlessly attack the stumps over long spells. Xander's other strength is his enjoyment of the game and is a pivotal team member. Xander's best figures were 2-14 off 3 overs against castle hill. His fielding display was also impressive with a unique one hand over the head catching ability. Great job Xander!

M Burford – It is always hard joining an established team, but Marcus not only established himself as a key member of the team but contributed every week. A skillful medium-pacer, Burford is a deceptive bowler. He uses neither speed nor great swing to get his way but manages to snag that vital wicket. Marcus improved considerably over the season. Look forward to great things next year Marcus with continued improvement

A Clark - One of the fastest scorers in Hornsby Cricket, Aden has become a key person in the team's top order. It is not just his power that worries opposing bowlers and captains. His ability to make unconventional shots appear routine makes it hard to set fields to cover all his scoring areas. Any season you score over 500 runs at an average of 126 is an extraordinary season having him finish 4th in the normal season of runs scored across the Hornsby district. Congratulations Aden!

M Gall – Another one struck down by injury after game 4 and never returned. Mitchell showed such promise early on already proving he was going to be a key strike weapon. Look forward to your return next season Mitch!

J Hedges - First there was Starc, then there was Hedges. A left-armer called Jamieson has been a staple of Kenthurst's attack. While Starc was more express, Hedges is still quick enough to make life uncomfortable for opposition batters and boasts greater control of swing. One of the strongest all rounders finishing 12th in the runs scored and 15th in wickets taken across the competition in the regular season.

O Huber - A stylish batter who plays straight, plays late, and has the patience to wait for balls in his area, Owen is a well-rounded player and can cover any area in the field. Owen hit a major milestone in the season by surpassing 500 career runs. He started off with a flyer in the 2nd game of the season with a 75 not out. Great innings Owen!

H Mair – Harry was a new addition to the team this year. He always gave his all to master the skills of cricket. The improvement from his first over at the start of the season to the last game was substantial. He was rewarded with his first wicket for the season and then backed it up with another wicket to finish with 2 wickets in the final game of the season.

J Nati - A right-arm fast bowler from Kenthurst. One of the fastest bowlers in the Hornsby association, Nati possesses a sharp “Yorker”, and an ability to both swing and seam the ball - all supported by a passion for cricket. Jacks lethal consistency throughout the regular season rewarded him with 17 wickets. He took the most wickets in the Hornsby competition with best figures of 6-40 off 10 overs against WPH White. Jack also surpassed a 1,000 career runs last season. Well done Jack!

Z Oliver – Injury impacted Zac’s season. Straight after game 2 Zac went out with a broken arm due to a soccer injury. I don’t know if it was the time away from the game, but Zac returned a spin bowler with ample variations and significant turn. We always knew Oliver was a classy right-hand batsman with a full range of shots, but generally we were left admiring them in the nets. He again showed us in the last game of the year what he can do and belted 37 runs off 54 balls. Look forward to more of this Zac!

M Rose – Max is a spin bowler who can bamboozle any batter with his natural drift. He has shown promise as a bruising lower middle-order batter. Christmas came early for the accurate spinner when he took 4-11 off 6 overs against WPH-Blue mid-December. He was rewarded at the end of the season by finishing 6th in the regular competition in wickets taken. Well done Max!

J Williams - An accurate bowler who is unrelenting in his line and length. Josh always made it difficult for the batter and I felt was underrated as a bowler in the team. Josh again developed as a player this year and if he continues this improvement will be shortly a stand out in the competition. Keep working hard Josh!

Front row: Akash Arnold, Jack Tanner, Anthony Donaldson, Cooper Anderson (Captain), Andrew Tindale, Mustafa Manzoor. Absent: Roger Francis.

U/15 Team Report

If this year is an indicator of future years, I can see myself coaching teams for a very long time. This was my first time coaching a team and I really enjoyed the experience. Unfortunately I only put my hand up to coach at the very last minute as there were no parents forthcoming to volunteer to coach so we had a very short (one week) pre-season. This really put us at a disadvantage as it is vitally important in any season to start being fully prepared. Most of the 4 wins for the season came towards the end which is probably an indicator of the lack of preparation (although we did win the first game for the season so I'm not sure if my logic is that tight). It was a great experience to coach such a top bunch of kids, all who play in the right spirit and get along with each other really well. Some junior teams in the past can have a bit of a culture of infighting however in this team it seemed like everyone was everyone's best mate. The support that they showed each other was awesome, an example of this was when one of our top performing batsmen Lachlan DiStaso just missed out on scoring his first ever century getting out for 98. The boys in the team were all as upset and disappointed by this as Lachlan himself. Lachlan still had a very good season with the bat, it's always a success to score over 200 runs in a season especially when taking on the important role of facing the new ball. Fortunately we were able to celebrate later in the year when Mark Hughes scored his first ever century with a very proud dad watching and celebrating on the sidelines. Mark's ability to slap a ball over cover is something only someone with real skill can execute however the best part I thought was the maturity that he showed in all innings throughout the year. Match awareness was something that I really tried to instill into the boys and Mark showed this by showing an example of how to build an innings: slow at the start, wait for the bad balls and then when you're set start playing a few more shots. Tom Ohlrich was another who had a successful season both with the ball and bat and is a highly skilled player. Very consistent both with wickets and with the bat, Tom had a big role to play in every match and his fast swing speed means that he can really whack a ball when he wanted to. Tom also took the new ball for a majority of the games and helped out with wicket keeping which shows the all-round talent that he has. Speaking of giving the ball a whack, Charlie Wilton brought the crowds in with his big hitting and furiously quick bowling. When I first came to coach the team, I tried to get Charlie to play a bit more defensive but soon learnt that this was a fool's errand. He really entertained the crowds in a number of innings, no more so than his 70 odd where he smashed a number of sixes and fours all over the ground. I also haven't seen a bowler instill so much fear in the opposition batsmen through sheer pace. From our first training session, a player that really impressed both with ball and bat was Cooper Anderson. Cooper had a successful year with the ball, showing good ability to move the ball and show great control. Given the obvious talent that Cooper has with the bat, it was a disappointing season for him. I would like to work in the pre-season in having Cooper play the ball closer to his body and not push at the ball. Captaincy seems to come quite natural to Cooper and is one of the more mature boys in the team.

He always managed to ensure that all the boys in the team had a go in some way and the boys all respected him as their leader. It would have been great to have Akash Arnold available for more matches as he is another highly skilled all-round player. Akash is a batsman with all the shots, a bowler with good control and a highly skilled keeper as well. With the batting, Akash probably needs to work on his match awareness though where he tends to play big shots a bit too early in the innings. Roger Francis was a new player to the team and the boys accepted him with open arms. Roger has a highly sought after skill which is leg spin bowling. A number of Roger's wickets were taken through skill rather than the usual method for spinners in throwing the ball up and hoping the batsmen make a mistake. Another new player to the team was Anthony Donaldson. Anthony is a handy bowler and a batsman who builds his game around a solid defence. Anthony loved his cricket and attended every training session and all the school holiday coaching sessions as well. A great team player. Speaking of team players, Jack Tanner and Andrew Tindale were the given the role of team motivators. They were the two instructed with keeping up the chat in the field to ensure that there was high energy on the field and they both took to this task very well. Jack was probably the most accurate bowler in the team and could argue that he was under-bowled. Andrew also showed great promise with the ball. Another very good bowler was Will Diacos. Will could do some freakish things in the field and has real natural talent showing great hand-eye co-ordination. This helped with the ball as well where Will had good consistency and was rewarded with a number of wickets. Mustafa Manzoor also had a good season with the ball, another accurate bowler for the team. Mustafa also has great potential with the batting and had a number of starts in the season without going on to make a big score. A unique but handy technique, Mustafa will become better through experience. It would be great to see Mustafa come out of his shell a bit more too. The stylish cool kid of the team has to be Tayne Read. Happy to bat wherever, bowl whenever, Tayne was a real team player. A bowler with the sort of bowling style that is in high demand in the shorter format with low trajectory dart bowling. If Tayne works hard on his release point and finger position, he'll become unplayable. More self-belief with the bat would help too as I believe Tayne isn't aware of his true ability. Tayne has the temperament, technique and strength to greatly improve in the future.

There were a number of lessons to be learnt this year which will hopefully be remembered for the next season. The main lesson to be learnt was around match awareness. The boys need to adapt their game to the situation at hand. A more inward focus from the team is another lesson which needs to be applied. Too often the boys were affected by the chat from the other team. This is just one example. The boys have the talent to beat anyone and if they focused more on what they can do well and less on what the other team is doing, they can achieve great things next season.

The importance of a solid pre-season and weekly training is also another lesson that needs to be learnt. The boys didn't have enough focus at training (especially when bowling) making it hard for the batsmen to practise a match situation when it was their turn in the nets. I'm very glad that the boys had a lot of fun at training but sometimes they had a bit too much fun!

A special thanks to the boys that played in the seniors competition this year: Anthony Donaldson, Mustafa Manzoor, Tom Ohlrich, Cooper Anderson, Charlie Wilton and Mark Hughes. The experience gained for juniors to play in the seniors competition is invaluable and something that I recommend to all the boys.

I'd like to thank the parents as well who put their hand up to do the work off the field. Greg and Corrina Donaldson were a massive help. Corrina worked as the team manager which meant that all I had to do was show up on the day and coach. Greg did the bulk of the umpiring during the season. It is a tiring job standing out in the sun all day however Greg took on this job without complaint. Joe DiStaso also needs to be thanked for doing a large part of the umpiring as well. Thanks to Bernie Tindale for doing the bulk of the scoring all season and thanks as well goes to Merryn Diacos and Joe who helped out with the scoring when Bernie wasn't available. Thanks as well to the parents who were present at all the games who provided great support for the boys and provided an encouraging and positive atmosphere. I am grateful to the Mums and Dads who supplied the coffee, this was vitally important in being able to coach so early on a Saturday morning!

I sincerely hope that the boys all play again next season. As the boys get older and play seniors cricket, the community that has been created by the boys and their parents is a once in a lifetime opportunity. I was truly grateful to coach a team with a great network of players and parents.

U/16 Cricket Report

The 2017/18 season started with a win for the U/16 boys against Castle Hill and finished on a high with a win against the top of the table leaders, WPH Blue. The season brought many ups and downs and some memorable matches. Despite having lost a number of players from last year's championship winning team to Grade and school cricket, the boys played some good cricket, many times with only 9 or 10 players.

As a stronger bowling than batting team, there were three stand out centuries from Menuja Goonaratne, Ben Berry and Tom Kropman. Of our bowlers, Regan Smith was a surprise packet with his loopy bowling snaring quite a few wickets. Lachlan Izzard, Sam Summerhays, Kyle Claassen, Bailey Todd, Henry Geale, Ben Berry, Menuja Goonaratna, Ethan Hickson and Lachlan Hickson rounded out the wicket taking with some excellent bowling.

Without a dedicated wicket keeper at the beginning of the season we auditioned a number of boys at wicket but it was Tom Kropman who took up the position with plenty of enthusiasm and served the team well in this position.

While we did not make the semis this year, we had a lot of fun. Special thanks to team manager and scorer extraordinaire, Amanda Geale and her lucky pencil. Also, Nick Geale for assisting at training, Steve Berry and Rob Kropman who shared the umpiring and scoring for the team and the Berry's for the barbeques at Kenthurst park. Thank you to the boys who filled in for us throughout the year, namely Ken Chu, Jarrod French, Menuja Goonaratne, Jude Reeve and Akash Arnold. Thanks also to the parents for turning up and supporting every week.

The fielding award goes to Kyle Claassen who took many catches and improved his batting and bowling this season.

The coach's award goes to Tom Kropman for his batting, wicket keeping and fielding. Tom also showed great positivity in each game.

It was very pleasing to see several of the boys improving throughout the season, particularly Sam Summerhays and Kyle Claassen with both batting and bowling. Special thanks also to Henry Geale and Lachlan Izzard for leading the team and learning lots in the process. As a coach, it was a difficult season being short on players however it was also very satisfying to have coached a fantastic group of boys. Hope to see you in Seniors for Kenthurst next year !

TROPHIES

Listed below is the criteria to the awarding of trophies:

CLUB CHAMPION Person with the highest aggregate of points awarded under the club championship rules

RUNNER UP Person with the second highest aggregate of points awarded under the club championship rules

NORM SPROULE Most dismissals by a wicketkeeper

HIGHEST PARTNERSHIP The highest partnership for the season in any senior grade

BATTING To qualify 200 runs, min – 7 games

Highest aggregate
Highest average

BOWLING To qualify min 15 wickets

Most wickets
Best Average
Hatrick
10 wickets in a match

FIELDING To qualify min 8 catches (excluding wicketkeepers)

LIFE MEMBERSHIP Nominations to be lodged with the Secretary 28 days before the AGM each year. Members will discuss and vote on the nomination.

Kenthurst A2 Grade Captains Report 2017/2018 Season

Heading into the cricket season with plenty of preseason training, many returning players and a few new recruits the A2 squad were confident on another successful and enjoyable season. Throughout the first few early rounds we slightly inconsistent with both bat and ball, but managed to post totals of 6/311 and 10/272 in rounds 1 and 3 respectively and gain needed momentum in the early stages of the season. Special mentions to Charles Ivey, James Salvador and Tom Lee for their well-constructed 50's.

Round 1 had us playing Glenorie for the Middleton/Lea cup that B Grade won last season. This game is played between in the highest grade of which both team compete in. Winning the toss we batted first and built several solid partnerships against some tight bowling from Glenorie. Alex Pagano led the way with a solid 118 runs with Charles Ivey and James Salvador both scoring 50's. In reply Stewie Hodges picked up 5 wickets but we couldn't bowl them out before the sunset as daylight savings had not commenced yet. With a draw as the result we were able to retain the trophy.

Throughout rounds 4-8 we managed to come away with the 6 points twice in convincing style and fell agonisingly short in a tie to the minor premiers and former A Graders ARL in a thrilling 184 run stalemate. However, our combinations with both bat and ball were growing from round to round and everyone was starting to find their role in the team which allowed us to play competitive cricket.

After the Christmas break inconsistency continued in our cricketing performances. We were able to win games against the less competitive teams but were struggling against teams that were competing for the finals. We were able to get ourselves into the finals for the second year in a row and give ourselves a chance of winning the competition.

In the semi-final, we were up against the undefeated ARL team to win ourselves a spot in the final. We Won the toss and chose to bat on an unpredictable Berowra Oval wicket considering it was the first game there

for the season. We were able to manage a competitive total of 164 which in our eyes was worth 230+ considering the slowness of the outfield. The following week came one of the best bowling performances and victories that I have ever been a part of, we were able to strangle and bowl out the undefeated ARL for a convincing 118 and cause the upset of the season. A lot of hard working and concentration as well as team cohesion was needed to come away with a very deserving win.

Being runners up in last year's Grand Final, we were hoping the experience of finals cricket would be able to get us across the line and take out the premiership. Winning the toss and choosing to bat we set a formidable 8/264dec and gave ourselves every opportunity to win the match. Unfortunately, we fell agonisingly short once again only being able to take 8 wickets on a hard and flat Parklands wicket but we never stopped trying and played to the very final ball.

The A2 season of 2017/2018 was one of the most enjoyable years of my cricketing life. We had new players join the squad and fit straight into the team culture and built strong connections on and off the field that will have the Kenthurst Cricket Club in a strong position for years to come. Special mentions go to Dane 'the chef' Ramsey and Charles Ivey for their efforts off the field in gaining sponsors for the club and their recruitment of new players. I am personally excited for the years to come and the quality of cricket we will be producing.

B Grade Team Report 2017-2018

After losing a few key players from the previous season it was decided that we submit for a B2 team for this season. With the majority of the players being a 4 or 5 rating the association accepted our proposal.

The first 4 matches in B2 grade saw us running 2nd on the ladder with 3 wins and a draw. The highlights from these games were Rohan Drummond scoring 2 centuries with one innings shared with Bill Dowers in a 158 run partnership not out. Bill also took an impressive 5-8 in the first game.

The powers to be at the HKHDCA decided to swap our team that was running 2nd in B2 with the last place ARL from B Grade. The first game back we lost against the 7th place Castle Hill team which left us wondering how to do we find that winning formula again. It was also at this time James Dowers deservedly was promoted in the A2 team for the rest of the season.

Struggling for numbers during the Christmas break we were able to fill our team with several Oakhill College players. One of which was Ryan Peacock who scored a commanding 100 not out V Castle Hill thanks to a selfless Anthony Eastwood who blocked out an over so Ryan could score the remaining runs in the next over.

Our main goal for this season was to finish in the top four so we could compete in the semi-final. We were able to maintain our 2nd position for the remainder of the season once we found our way back in B Grade. A few outstanding performances were Jake Wheeler 105 in Round 5. This was Jake's first century for the club. Daniel Moss took 5 wickets in Round 6. Owen Bridgman scored a blazing 121 not out in Round 14.

In Round 10 we played a very competitive Kissing Point who were the minor premiers and eventual premiers where the game came down to the last over. They sealed the win with only 1 ball remaining. The game was played in good spirit and was appreciated by all. Unfortunately we did come across some individuals during the season that could learn how to play with a better sense of sportsmanship. As captain I do appreciate our guys setting a positive example to all the other teams.

As for the semi final we played on our first turf wicket where several players were inexperienced on this surface. This begs the question why didn't we continue our season on astro. After a healthy start having them 4-94 they got away to a total of 251. It also did not help when their captain refused to walk after he was caught in the midfield. Aaron Muston was also left bewildered after been given out LBW when it struck him on the forearm clearly missing the next lot of stumps. With our in-form top order batsmen dismissed cheaply our tail weren't able to hang in to save the game.

As skipper I am happy to see young Lachlan (Lucy) Izzard contribute with his legspin bowling. This experience in B Grade will help him in the U/16's next season. Also new member Anthony (Angry) Eastwood was an asset in the field and a handy middle order batsman.

The nights we had at the Hillside after the completion of the match were most enjoyable and helped unify the club, let this tradition continue!

Also many thanks to Jake and Rohan in helping with the captains duties whilst I was away, and throughout the season. Overall great team spirit with everyone contributing in one way or another. Well Done Lads!

C2 Grade 2017-18

Our campaign was unfortunately marred and hamstrung by injury and absence this season. We had both short and long term absences that weren't predicted and unfortunately aligned to have us playing short for 7 of our first 10 games and finished seventh.

Despite that, we had an enjoyable season and plenty of firsts from an individual level for a number of our players.

On the bowling front, our regular stars were all strong with John Martins 22 wickets @ 19, Simon Gosper and Juan Becker 17 wickets @ 22 all having good seasons. Jas Martins came back into the team and posted some excellent results mid season 17 wickets @ 10. Harry Inshaw took up Fast Bowling this year with brilliant results delivering an excellent combination of control and aggression with great pace.

Batting wise Harry Gaughan posted a very classy 80, John Martens established himself with great consistency in the middle order, and Harry Inshaw got several big scores and topped the batting (341 @ 25 with 3 50's) . Peter (Faf) Becker found a purple patch and posted a number of excellent scores from the lower order. Juan Becker and Jordan Bragg continued to give us starch at the top of the order

Until next year...

Steve Bragg

C3 Team Report

We finished 4th, in a fight to the last. We lost to Kissing Point in the semis, in the most boring game of the season. Congratulations to their captain and team on that, they were first needing only a draw, they played for it and played well. We fought all the way but dropped catches left us too many to chase in too few overs.

Cricket is often a game of statistics. We played 8 regular season 2 day games, won 5, drew 2 and lost 1. We played 7 1 day games, won 2 lost 5. We struggled in one day games – didn't cope with the heat, didn't score fast enough, wilted in the field. When we had overs to spend we often scored big and frequently won. We also suffered with injuries – Col Griffin retired during the season, our keeper Steve Butler suffered with injury and in the heat, the Claassens had skiing injuries and Chaminda Lewis shoulder injury from a fast, high full toss.

We had some great individual performances as well as team performances.

In the batting Dave Thomas's 133 not out (Dave finished with an average of 68.3 so this wasn't a fluke) was the highlight, but Ken Garven's 103 came a close second. Both of these were against top teams. Also worthy of mention is our highest partnership of 157 not out between Col Griffin (81) and Dave Thomas (67) in one of our few 1 day victories (in which we chased down 156 in 27 overs for no wicket).

In bowling Ben Nicolson's 6/44, John Summerhays' 20 wickets in the season and Narendra Kulkarni 16 wickets were our best. Kyle Claassen – 10 wickets in just 4 matches and Chaminda Lewis – 6 wickets in 6 matches, including 3 in an over (W.W.W.) are also well worth a mention.

Catching was a real issue for us – and catches win matches. We took a few great catches, but dropped far too many ones we should have taken.

Sam Summerhays and Kyle Claassen (under 15s) played well. Special thanks to the other juniors (under 14s and under 13s) who played their first senior games, often at short notice, and played a valuable part in team. They showed their potential and will only keep on improving. While I would love to continue to play with them over the next few years and see them develop as cricketers, I suspect it won't be long before they move up to higher grades.

John Cloke

A Long Hot Summer. D2s ride through the 2017/18 Cricket Season.

As I write the semi finals are about to start in what has been a very competitive D reserve competition, in which each of the top five teams has had standout performances from at least one or two players. In our team we had Harold Vadala who was introduced to our team as an enthusiast cricketer and a work colleague of our Club President. What we did not know is that he used to open the batting for his club in India. He contributed 498 runs at average of 45.30. Unfortunately, we could not let Harold play to his potential as he was provisional rating unlike the Hornsby players who were on a fixed rating as we were concerned if he overachieved he would be lost to our grade. We do wish him luck in the higher grades next season.

I believe that our team was the best team in the competition on its day as we could match it with any of the teams on our day. Our problem stemmed around inconsistency which is consistent with playing in the lowest grade of the club. If there was a metaphor that summed up our season it was the final game of the season. We were totally outplayed by Hornsby on day 1 having been rolled 94 and Hornsby were 0 for 87 at stumps. However, on day 2 they declared their innings closed at 8 for 148 after 29 overs. Effectively we took 8 for 61 on the second day. During the season we lost three games with a margin of less of 25 runs. If one or two of these games had luck gone with us we would have been challenging for semi-finals. Further chasing the modest total of 105 we capitulated for 50. Besides recommending Steve Waugh's "Meaning of Luck" to our teams reading list in the winter I challenge them to work hard on their games.

Again, our bowling attack worked manfully with Andrew Williams 20 wickets, Nick Anderson 16 leading the swing bowlers and Ayush Gupta contributing 19 wickets and Ben Pilipowski 16 wickets with their spin bowling. We had Chakra Mankena join the team after Christmas who added the spark to our attack needed. He also played a classic innings 61 (by D2) standards that helped us win the game against Kissing Point.

I was asked to fill in as a selector from Round 11 and due to this and personal reasons relating to my career change, I handed the captaincy to Brad Williams. Tactically Brad led the side extremely well. He will become a very good D2 captain once he learns some of the subtle protocols about captaining the lowest grade.

We were saddened by the loss of Josh Anderson after Round 12. As I said in the email to our team to announce his retirement from cricket. He was the heartbeat and soul of our team. Every missed wicket or catch the moan that Josh let out summed up the team's feelings. Further having worked with his coach on his game privately. He has come a long way from when he started in 2010. The improvement in his batting was outstanding and his promotion in the batting order were earned by hard work. The door will always be open for Josh if he wishes to return.

Finally, I would like to thank the club for giving me the opportunity to lead D2s for the last five summers. I have tried to follow the protocols and mantra that the late Peter McCartney did when he formed the team in 1999/2000 season. It is a job I always undertake with pride and passion.

I take this opportunity in congratulating our Kookaburra Cup, B Grade and C3 teams in reaching the semi finals for this season. This proves that our club is back on the way up again.

John Campo

Kenthurst Upper Hills Classics 2017/18

With a solid first season we went into this season with high hopes of backing it up.

A couple of new recruits increased the playing ranks with, Scott Calvert, Abbas Aly, Neeraj Gupta, Bernie Tindale and Kevin Dolly making their Classics debuts and young Lachlan (Lucy) Izzard being our young gun.

With 11 rounds, 6 at home, and a first past the post format it is important to get off to a good start. Well beating Mosman, one of the usual front runners, at their home ground, Alan Border Oval, is a great start.

Round 2 saw us up against the eventual winners of the competition. Not only did we lose but every other team had a draw for this round thus dropping us down the ladder substantially.

Round 3 was a wash out Round 4 was at home against NSW Cricketers. Unfortunately we suffered a very narrow defeat, but as always we celebrated with the best apre' cricket in the competition. To sit up on the balcony overlooking what was the battlefield, sipping a refreshing ale and chowing down on a sausage sandwich is truly the best thing after giving your best.

Round 5 was away and another win and we were flying. Then boom we hit a wall. That wall was Georges River the second place winners of the season. Full of younger players they gave us a lesson in cricket. Embarrassingly we had our bums smacked.

Round 7 again at home another win then Round 8 another loss. We were finding it hard to find a stable team with family commitments and the results were reflecting this.

Time for our inaugural season tour with a game at Mandalong Oval up at Lake Macquarie region. Driven by Bill (I'll find the gear) Dowers the boys enjoyed a great day. However another paddle on the bum was served.

We closed the season with a tight win. The last runs scored by Lucy in his last game for a very long time in Classics Cricket.

I would like to thank the boys for their support and commitment to the team. For always bringing a great spirit and mateship to every game.

Lastly I would like to thank Pamela for always making sure drinks, afternoon tea, afters drinks and BBQ, which are the best in the competition, were always ready and plentiful.

Viva Bris Vegas Kenthurst Banksias 2017 Ashes Tour

I have often been asked what tour is the easiest to fill? Without a doubt Brisbane is the answer to the question. Having confirmed fixtures and a format that works a quirk Brisbane fulfils this. Add the Ashes in and it makes it easy tour to organise. Don't get me wrong I still had some moments in the organisation of the tour.

Assembling at the hotel on 19th November was an enthusiast group of cricketers and supporters. The now traditional first night dinner at the Breakfast Creek Hotel was well received. Richard Arnott advised me that having lived next door to the captain of Albany Creek our first fixture he wanted to put on a strong team. This meant that his room mate and the author missing out on a game which was a source of humour at the end of the game. In a very competitive game Richard's goal was achieved with Banksias recording their first victory ever in Brisbane by the tight margin of one wicket. With Richard playing a role at the end to achieve the target as well as Daniel James making a successful return to cricket with an unbeaten 59. Mark Antanuac also contributed with the bat and ball, bowling extremely tightly and a hard hitting 38 in the run chase.

During my family holiday earlier in the year I had visited New York and had acquired Donald Trump t-shirts. These shirts were booby prizes for our team and the opposition which was nominated by their captain. For his efforts Richard won the first Trump award. The reasoning given was to achieve his win he omitted his room-mate, omitted the tour organiser from the team and refused to use the ball that was purchased for the game prior to the tour.

Craig Henson has taken it upon himself to ensure that an activity is organised on the spare day. Which is well appreciated by the tour manager. Not only is something planned for the day it also gives him an opportunity to have a day off and an opportunity to confirm the rest of the arrangements for the tour. This is usually referred to as Crazy Craig's Tour. On this trip he organised a successful golf day.

Our next fixture was against Gold Crest Cricket Club. With Christmas approaching it felt that Santa Claus was practicing his delivery techniques on the Kenthurst Banksias as each of found a Golden Crest polo shirt on our cricket kits. However, the NSW / Queensland rivalry is extremely

deep. After starting the game full of energy, the toll of the previous two days took effect. Setting a target of 281, the Banksias were never in the hunt being bowled out 131. Brendon Lowndes was the pick for the day scoring 40 runs. Whilst the game was a one-sided affair I believe it was played in good spirits. Robert Horton was awarded the Donald Trump award for his quest to be captain for the day.

The final two days of the tour were spent at the First Test match which provided two tightly fought days of test cricket which was enjoyed by all. Our final dinner was held at the Plough Inn on South Bank. The next day most of the group departed and a successful tour had concluded. The dynamics of the group was amongst the best I have experienced and was the main reason the tour was a success.

I am faced with the generic question of when is the next tour on? It is not where but when which is promising. We had planned to visit Sussex Inlet for a game of cricket and a game in Canberra and take in the inaugural test match in the nation's capital. However, Cricket Australia are looking at changing the format of the summer next season as such we cannot be sure if it is convenient to visit the area in holiday season. A meeting will be held once the dates are announced for next summer. Further we are currently involved in a feasibility study for a tour of England for 2019 Ashes. I am hoping to have an idea by July if we are going to proceed with the trip.

Kenthurst Banksias have been the touring arm of the cricket club. We set out to achieve a cricketing experience in each of the places we visit. However, it is not about winning it is more about taking in and enjoying the places we visit. It has been a pleasure to organise each of the tours and look forward to the future tours. I particularly enjoyed how the tour proceeded and how everyone in the tour had a good time.

Tour Manager – John Campo
