## **Under 13 Team report**

The 2020/21 season was a mixed and challenging one for under the 13's. We started the first half of the season with some strong results and were in the top half of the ladder. However, after the Christmas holidays, with most of our key players missing games due to other commitments, we were under strength and short on numbers during the business period of the competition. This showed in our results and we ended the season well below expectations given the quality of the players we had.

Our batting was bolstered by the addition to the team of Kirby Mulligan and he made some useful contributions along with Jarryd Ratwatte, Neil Mani, Neel Jetley, Isuru Wickrama and the fast-improving Callum Keeble. Jarryd Ratwatte made the top score for the season with his 51 not out against Kissing Point Blue. Nishchaijeet Mangat, Kavindu Wickrama, Keerthan Raja and Alex Wilson made useful contributions down the order and showed good promise.

The standout performance for the season was Neel Jetley's two hattricks against Thornleigh 3 for 2 runs and Castle Hill Red 3 for 6 runs. Keerthan Raja, Kirby Mulligan, Neil Maini and Maher Nosina were the medium pacers with the latter only being able to play a handful of games for the club. Nishchaijeet Mangat was the standout spinner in the team and bowled his right arm leg spin with a great deal of control and turn. Kavindu Wickrama, Isuru Wickrama and Alex Wilson and Jarryd Ratwatte shared the rest of the bowling workload for the team.

Wicket keeping duties were shared by Neil Maini and Alex Wilson and both showed great promise with their glove-work.

I would like to thank all the parents for their support during the season and especially, to Rahul Maini our Manager for making sure that we were well informed and looked after throughout the season.

Also, a big thank you from the team and the parents to the club and the committee for providing the platform for the juniors to play on a Saturday.

Hope the boys enjoyed the experience and wish them every success in their cricket ahead.

**Dudes Ratwatte**

**Coach Under 13's.**

## Under 14 Team report

Congratulations to the boys for a great season. While we were short on players most games, the boys were always competitive and played the game in the right spirit. A good commitment to training as well as a healthy rotation of the batters and bowlers saw everyone in the team improve. This culminated in the boys winning their last 3 games playing with only 8 or 9 players. The boys thoroughly deserved the fantastic end to the season.

Hoping to see all the boys (plus some extras) back for the 2021/22 season.

**Aaryan Karim:** No hattricks this year but as always bowled a consistent line and length. Aaryan's batting benefited from a bit more time out in the middle and his fielding improved with several catches and run outs.

**Buster Hindmarsh:** A solid all-round cricketer who bats, bowls, and keeps. When Buster is playing well, he can score runs fast! He finished with a solid batting average of 25 for the season.

**Lucas Archer:** Had a bit of a 'break out' year with the bat scoring 264 runs. Lucas is also an outstanding leg spin bowler who can spin the ball a mile!

**Lucas Jones:** Took on the captaincy role this year and did an outstanding job. Lucas rotated the bowlers well to ensure everyone had a good turn but also made the right moves when games were there to be won. A bit unlucky with the bat this year but once again bowled well and picked up 6 wickets for the season.

**Majitha Kumburegedara:** A passionate cricketer who has developed his skills during the season. Majitha's highlights included a beautiful pull shot for 4 runs and surviving 15 overs for a 'not out' in the last game of the season.

**Matthew Smith:** A team player who has been with the group for several years now. Matthew improved all aspects of his game and benefited from some good time out in the middle.

**Oscar Morrison:** One player who was sorely missed (only able to play 3 games) due to soccer commitments. Oscar is a champion batsman/keeper, and it would be great to have him back next year if his busy schedule allows it.

**Reed Apro:** One of the most improved players in the team this year. He scored some valuable runs towards the back end of the season (28 and 29 in the last few games). Reeds also put his hand up to do more keeping this year and by the end was taking stumpings against the spin bowlers (no mean feat!)

**Tiago Gregory:** A super-fast bowler who had several of the boys jumping around in the nets. The 'wild thing' struggled for good line and length at times but came back after Christmas as a new bowler. Unfortunately, his season was cut short due to injuries and we didn't get to see the best of him on the pitch.

**Tom Medford:** Playing a few years out of his age group, Tom joined the team halfway through the season and was an outstanding performer. He scored 160 runs for only 2 outs and can bowl both off- spin and medium pace. Definitely a rising star!

**William Fraser:** A passionate member of the team who loves his cricket. Will is an excellent fast bowler who comes steaming in from an extra-long runup. Will also enjoys opening the batting.

# TROPHIES

Listed below is the criteria to the awarding of trophies:

**CLUB CHAMPION** Person with the highest aggregate of points awarded under the club championship rules

**RUNNER UP** Person with the second highest aggregate of points awarded under the club championship rules

**NORM SPROULE** Most dismissals by a wicketkeeper

**HIGHEST PARTNERSHIP** The highest partnership for the season in any senior grade

**BATTING** To qualify 200 runs, min – 7 games

Highest aggregate  
Highest average

**BOWLING** To qualify min 15 wickets

Most wickets  
Best Average  
Hatrick  
10 wickets in a match

**FIELDING** To qualify min 8 catches (excluding wicketkeepers)

**LIFE MEMBERSHIP** Nominations to be lodged with the Secretary 28 days before the AGM each year. Members will discuss and vote on the nomination.

## A Grade Team report

Well, what a season! Shortened from the outset, we had persistent rain, COVID complications including an abandoned match and a draw that had us playing the top three teams for most of the season. After losing the majority of last season's A grade team it was never going to be easy and results often didn't go our way. Regardless, the squad dug deep and fought hard throughout despite all the challenges thrown at us.

We welcomed some new additions in Conner and Matt Rudd, with Matt starring with the bat and ball, culminating in his heartbreaking 99 in our last match when he was spectacularly caught in the deep by probably the only player in the St Ives team that could have held that catch. Connor's pace and late swing with the ball had numerous batsmen constantly second guessing themselves – I think that left hander from Kissing Point is still scratching his head. We also welcomed back Lachlan Woods, who's experience and calm head was invaluable for myself and the team.

Although runs were hard to come by this season, there were plenty of positives. Matt Rudd as mentioned had a great year with the bat and formed a good opening partnership with Bill Dowers, who was solid as usual (once we got him out of the sheds!). Matt Dowers looked extremely comfortable in the middle, the best I've seen him bat in a number of years. Late in the season Sam Summerhays debut and impressed with the bat, looking like he had always been there.

With nine bowlers, it was a blessing and a headache at the same time. The team's attack was spearheaded by the opening partnership of Stewart Hodges and James Dowers, who both toiled extremely hard week in, week out. Jake Wheeler enjoyed the fact James Salvador took the gloves and was able to produce some great spells. Luke Brant consistently kept batsmen on their toes with his left hand tweakers and the variety of Nick Summerhays provided numerous opportunities as always.

And how can we forget Henso's return to A-grade with a cameo in round 9, taking another wicket to add to his 500+ tally after Bill took a screamer of a catch at first slip.

Although it was a tough season the guys were always positive and upbeat, and the laughter was always there. It was a privilege to have captained the team and I couldn't have asked for a better group of men. Looking forward to 2021/22.

Anthony Eastwood

## B1 Grade Team report

The majority of Oakhill old boys from the 2019-20 season returned to play for Kenthurst's B Reserve and B Grade sides during 2020-2021. The slightly remodeled team excelled in this year's competition, dominating Berowra in the B Grade grand final.

The season began just as we had left off in 2020, with victories over Berowra, WPHC and Castle Hill before a dominant B Reserve side rolled through Hornsby District for a total of just 14 in Round 4.

The previously graded C Reserve team then willingly took on the challenge of B Grade and remained undefeated throughout the regular season. Contributions from each and every member were pivotal in the teams' success.

Notably, Nicholas Hammond became the first player in HK&HDCA history to hit back to back double centuries. His knocks of 261 against WPHC in Round 11 and 211 in the team's semi final against St Ives, meant that Nick struck the highest individual score in the country in consecutive weeks.

Both Thomas Pratt and Lachlan James were outstanding with the new ball, taking 23 and 20 wickets in the B Reserve and B Grade competitions (respectively) to constitute the club's leading wicket takers. Each bowler had a five wicket haul at different stages during the competitions regular season to guide the side to victory.

Having advanced to the competitions Grand Final, the squad restricted the opposition to 131 before replying with a modest total of 149. Lachlan James, Thomas Pratt and some outstanding fielding then ensured that the team would have an early mark once Berowra slumped to 5/6, with leg byes as the top scorer.

The team is more than excited to return to the club in the upcoming 2021-22 season and to continue where we have left off this season.

## C1 Grade Season Report

This season has been a different season due to covid; rounds were reduced meaning that each win causes a significant impact to the ladder and heavy rain events occurred during the season causing games to be washed out.

At the beginning of the season the association was going to put our team in the same grade as last season (B2's) however half of the team wanted to move down to C grade. So therefore we were in the C grade competition for the 2020/21 season.

Moving to C grade and becoming the captain in the second round and in the second half of the season was something that I was willing to take on. The C1's team composed of a number of familiar faces from previous seasons and others I just met at the beginning of the season.

At the start of the season Craig Henson was the captain and like always does an outstanding job not only during the season but in the weeks leading up to the season. Having met up with the team at Glenhaven Oval I knew that we definitely had the dedication and the right mindset to secure a top 4 spot leading up to the semi finals. As the first round of the season was getting closer we needed that one extra player and that player was Paul Muston. His last game of cricket was during the 2015/2016 season. In round two Paul made a solid start with the bat for the season (34) and allowing a competitive score to be set. Paul scored some handy knocks with the bat and has been a valuable player this season.

Rain events play a major role in cricket especially on game day causing issues with play commencing on time and reducing the amount of rounds in the season. Always seems to occur on round 1 of the cricket season which ended up in a draw. As well as the first round there were a number of games that were abandoned due to rain.

Our opener bowlers Bailey and Doug Gemmell were always on the money from ball one allowing the top order batsman work for the runs. Bailey constantly puts the effort in with the new ball but I do see a lot more potential in him in the future. Doug Gemmell like always bowls in the right area and definitely has the potential with the bat. Opening the batting against St Ives Doug played a critical role and built a solid partnership with Paul Lown allowing the fielding team to become frustrated. Very unfortunate to find out that Harry Inshaw was unable to play this season due to injury in the winter months. However in the seasons ahead I'm sure Harry will be a very competitive player and has the potential to do well with the ball and bat.

Our other bowlers who came on for Doug and Bailey were Wayne Graham, Juan Becker, Cooper Anderson and Tom Ohlrich which bowled exceptionally well. All of the names mentioned took valuable wickets and allowing the batsman to work for their runs.

As for our batting there were a number of changes that were being made each round to give everyone a chance out in the middle. Having a deep batting order allows a competitive score to be set in all matches of the season. At the top order Paul Lown and Sam Summerhays did an outstanding job to not only see out the new ball but to put on a decent total before drinks. A couple of high scores states that Paul is always in form with the bat. Sam opens the batting, high strike rate and stays in the middle for extended periods of time.

Our number three batsman Keith Todd who has scored the most runs for the team has always solid with the bat. The game at Caddies Creek the opposition mentioned to us that they could not find a way to dismiss Keith. Keith has been a valuable asset for the team not only with the bat but on the field. I would like to thank Keith with the on field tactics to keep the required run rate as low as possible from the other team.

Following the top order the middle order have proved why we are a top 4 team with the ability to see out the over's and score valuable runs to set a desired score. There were rounds that we were unlucky to get dismissed causing the total to be chased within half a day. Some of the guys that were dismissed for a small total were unlucky because I know they have the potential to score a lot of runs with the bat. Juan has been solid with the bat, always scoring runs and can bat for an excessive amount of over's. Paul Muston returning to the game has shown that he still has the potential with the bat and helped the team out with decent figures and contributed to the total score at the end of the days play. David Thomas and Wayne Graham have been solid in the middle order especially when the team needs it most.

In regards to the fielding aspect of the game all the guys in the team have shown plenty of enthusiasm and effort. Robert Inshaw has taken some outstanding catches behind the stumps allowing valuable wickets to fall from the opposition team.

There has been a significant milestone during the season with Craig Henson reaching 500 wickets. Well done Craig. Craig opened the bowling and finished up with 6-20 off 14.2 overs at Caddies Creek Reserve against Castle Hill. Special mention to Ben Watson (C4) and Nick Summerhays (A grade) who have filled in for the team when we are short during the season. They both have scored handy runs with the bat and have contributed to the overall result of the days play.

The rounds leading up to the semi finals the ladder were so tight that the last few rounds of the seasons determined who will make the semis. The last round of the season we played WPH who were on the same amount of points as us on the ladder. WPH were 5th and had a lower quotient meaning that WPH needed to win convincingly to secure a spot in the semis. Winning the last round will result in finishing 2nd, 3rd if we draw and 4th if we lose. We lost the match however the quotient of WPH was not enough to overtake us so they finished 5th. Also losing the match allows Castle Hill to finish 3rd allowing them to play Berowa in the semi final.

The semi final:

In the semi final we played Sydney Lions at Les Shore 1 who were on top of the ladder from the beginning of the season. The first week the weather was warm and sunny allowing for a great day of cricket. We won the toss and decided to bowl first hoping to dismiss their entire team before the end of the days play. It was obvious that Sydney Lions were going for the draw due to rain occurring the following Saturday. We needed wickets fast so the option was to rotate the bowlers at the certain amount of over's but this wasn't effective. The Sydney Lions just kept the good balls out and scored runs off anything wide and short of the stumps. Going at a fast over rate to maximize the number of overs I decided to make a change and take the new ball after the 70 mark. In order to take wickets the decision was not effective but I felt that I have to try something new. A lot of runs were scored in the last session of the day mainly off me to be honest. Sydney Lions posted a score of 4/187 off 74 overs after week 1.

Constant heavy rain occurred all day in Week 2 of the semi final causing the game to be washed out. So therefore the result was a draw allowing Sydney Lions advance to the finals due to finishing higher than us in the regular season.

The Grand Final:

Berowa (2nd) played Castle Hill (3rd)

Week 1: Berowra all out for 107, Castle Hill 3/64. Rain occurred week 2 causing the match to be abandoned. Berowra finished higher than Castle Hill in the regular season meaning that they go through to the finals.

In the final Berowra (all out for 120) defeated Sydney Lions. (all out for 80)

Overall in all aspects of the game the team has proved that we were a threat to the C grade competition. We finished 4th after the 11 rounds being played and missed out on making the grand final. There were some close games that we won and other games the opposition took the 6 points from us. Goes to show that each win is valuable and anything can happen in cricket especially what happened in the semi finals and finals.

I would like to thank all relatives, friends, John Marks and Craig Henson (when not playing) that supported the team during the season.

The best part of the game is that everyone enjoyed themselves whether it's on the field or off the field not only us but the opposition as well. I really enjoyed this season playing with a great bunch of guys and to captain the team during the season when required.

**Aaron Muston**

## **C4 Grade Team report**

Year of missed opportunity. This is the true statement for our results this year. There were too many games where we didn't get the desired results and falling at the last hurdle. Losing with one ball to go, missing out with 7 runs required and finally missing out on an outright win by 2 wickets.

This year we welcome 3 juniors into the senior ranks, Lachlan Hickson, Ben Watson and Sam Kearney-Jackson together with Paul Jackson & Mark Hickson. In the final game of the year, I would like to thank 3 players from the U14 team, Lucas Archer, Majitha Kumburegedara and Reed Apro for backing up from the juniors to play for us.

Once again, the leading run scorer for the side was Charki Mankena with 286 runs @ 28.60 and was supported by Harold Vadala (181 runs) and Ben Watson (107 runs).

Our premier bowlers were John Summerhays with 19 wickets @ 11.32 and Charki Mankena 18 wickets @ 15.78. and were ably supported by Ben Watson with 11 wickets. Ben Watson also took out the fielding award with 8 catches.

Finally, I like to acknowledge the support of the 15 other team members of the squad especially the senior core group. With so many in the squad made the elections hard for each round with trying to balance out equal games for everyone.

Remember, we play to enjoy ourselves on the weekend and I hope all members return for hopefully a full season next year.

**Colin Griffin**

**Captain**

## D2 Grade Team report

It was a season that many of us did not envision happening, but how glad I am that we were able to get on the field! While we didn't win as many games this year as we would've liked; I could not be prouder of the attitude we displayed throughout the entire season, especially in the fight we displayed after that Beecroft game.

I can say, without a doubt, that this team has huge potential to succeed at this level. At numerous times during the year, every single one of our team members performed a feat of excellence that proved we are a threat to our opponents. We just have to put them all together in a single match and we will be unstoppable, just like we were in the end-of-season John Hayne Cup!

While the ladder has us at the bottom with only one win, I take heart from the fact that we had the most draws in the grade at four matches. If we can turn some of those games into wins and reverse the results of the close matches, I believe that we will in an extremely strong position for the next season. I'm really looking forward to it!

I want to say that I appreciate the efforts that you all put in for this season. I know that I would not be able to do this all by myself, so I would like to individually thank the following people who assisted in the administration of our team:

- John Campo: For representing D2s at club meetings and organising the availability of our players. I had no idea about the fabled Excel spreadsheet until the last round!
- Craig Roy: For being the trusty Vice Captain and by taking each care of the numerous sets of stumps each week.
- Andrew 'Dries' Claassen: For steadfastly being our resident COVID-19 marshal, stepping up and learning to put the scores into the MyCricket system and for representing the team at meetings.

As always, I would also like to thank every single one of our 'support staff' who venture out and watch us every Saturday. From Greg Donaldson dutifully assisting with the scoring to the entire Nicolson Clan who eagerly put the cones out and cheer us on throughout the entire match; we would be a far different team without you.

Finally, I just want to finish by saying that it's been an absolute pleasure captaining the Mighty D2s for this past season and I hope see you all next year!

## Kenthurst Banksia's

I would like to thank the Kenthurst and Upper Hills Cricket Club for allowing this medium to enlighten and dispel any misconceptions about our tour group that has been touring, playing and watching cricket since 1989.

Over a Melbourne Cup lunch back in 1986, an invitation was issued to the Kenthurst Cricket Club as we known back then to compete in the 1987 Alternative Ashes. Over a period of two weeks, our club had fixtures with six visiting teams. We enjoyed the company of our fellow club cricketers from England. With the success of this tournament, it was agreed that a follow up tour would be held in the Cotswolds Area in the United Kingdom. Back in the day, it was every cricketer's dream to play in and tour England.

Quite a naive tour organiser took the group to the United Kingdom via Los Angeles and Denver on the way over and Orlando and Hawaii on the way home. With fixtures being played in Los Angeles San Fernando valley - against a local team of expatriates comprising of West Indians, Indians, Englishmen and Australians. I can still remember Peter Lea deliberately running out brother David and fearing for Max Olde's well-being facing the opening bowlers - and a fixture Southern London against an old boy's club team of an elite London school. Whilst coming second in both fixtures an enjoyable time was had as well as throughout the tournament that followed with our team registering its only win on tour to eliminate a team out of the final of the Alternative Ashes.

With many anecdotes being shared after the tour, the question was asked when is the next tour? As such we were able to tour in 1993, 1997 and 2001 as the same question was asked at the end of each of those tours. Each tour was different and many an enjoyable time by most members of the groups that travelled. Each tour had special moments on and off the field. Friends were made. (In my trip to UK in 2019 – I caught up with members of the Badsey Cricket Club who we played on all our previous tours).

By 2006, it was getting extremely hard to fill UK tours. We decided at that stage that we should try touring domestically. We came up with the formula of a tour starting on a Sunday with two fixtures and two days at the test match and for those interested flying back to play for the club on the Saturday. Activities on our spare day have been refined to include golf days and other group team building activities. I would like to take this opportunity in acknowledging Craig Henson's efforts into making the of the spare day a well sort after highlight of our trips. This dispels the reputation that had been associated with our tour group for many years.

I believe what makes the Kenthurst and Upper Hills Cricket Club special is that we have been able to have a touring team that lets us undertake these ventures. Touring gives an opportunity to play cricket in different areas. Meet people. Experience different cultures and subcultures (even here in Australia – Brisbane culture is vastly different to that of Adelaide and that of the Hills District). We have seen many great matches as well as playing in some ourselves.

Finally, the Banksias help in the building of club spirit through our tours. It is a tool where you meet other members of the club and some the clubs you play in a different environment which has contributed to growing friendships, understanding and respect. As such I believe the Banksias play an important role to the club and cricket in our area.

Finally, if you are still reading this article. Thank you and I hope this has now given you a different perspective what the Kenthurst Banksias are and aiming to be. Further I would like to take this opportunity forward on my gratitude to all you who have offered support by attending our tours or allowing me the opportunity to promote the Banksias. This has been well appreciated.

**John Campo**
